REMARKS

This is a full and timely response to the Notice of Non-Compliant Amendment (herein, "Notice") mailed August 7, 2006. As indicated in the Notice, "the status of the claims 80 and 96 and applicant's arguments indicate that the claims have been amended, however, no underlined or deleted portion is indicated in the submitted claim listings." Pursuant to the instructions provided under Section 2 of the Notice under the heading "TIME PERIODS FOR FILING A REPLY TO THIS NOTICE," Applicants have attached the corrected section (i.e., the listing of the claims) in compliance with 37 CFR 1.121. In particular, claims 80 and 96 (and 85) are shown with the proper annotations signifying the amendments made to the claims in the previous response filed on July 27, 2006. It is respectfully requested that the corrected section be incorporated into the previous response filed on July 27, 2006, and favorable reconsideration and allowance of the present application and all pending claims are hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned attorney at (770) 933-9500.
